

Call for Authors

We are actively seeking quality manuscripts on topics related to Defense acquisition. Topics include opinions, lessons-learned, tutorials, and empirical research.

References must be cited in your bibliography. Research must include a description of the model and the methodology used. The final version of your manuscript must conform to the *Publication Manual of the American Psychological Association* and the *Chicago Manual of Style*.

To obtain our ARQ Guidelines for Authors, or to inquire about your manuscript's potential for publication, call the DSMC Press at (703) 805-4290 or DSN 655-4290, fax (703) 805-2917 or e-mail gonzalezd@dsmc.dsm.mil

Call for Referees

We need subject-matter experts for peer reviews in our blind referee of manuscripts.

Please fax your credentials to us and we will add you to our reference file (703) 805-2917.

Special Call for Research Articles

We publish Defense acquisition research articles that involve systematic inquiry into a significant research question. The article must produce a new or revised theory of interest to the acquisition community. You must use a reliable, valid instrument to provide your measured outcomes.

Acquisition Review Quarterly is listed in *Cabell's Directory of Publishing Opportunities in Management and Marketing*.
